Hello!

At Caliber Home Loans, we examine your escrow account at least annually to make sure there is enough money in your account to cover your tax and/or insurance payments. This review accounts for any increases or decreases in your taxes or insurance that can result in changes to your payment amount. The following outlines your actual escrow account activity since your previous disclosure or initial disclosure and the anticipated activity for the next 12 months.

Based on our review, you have a shortage of \$485.21. A shortage occurs when the anticipated escrow account balance falls short of the required balance.

To view differences between your current payment and new payment, please refer to Section 1 below. To view changes in your escrow account, please refer to Section 3 of this statement. Your projected shortage was calculated based on the information in Section 2 below. Section 2 includes changes that are anticipated over the next 12 months, while Section 3 displays your history as of the last escrow analysis.

Section 1 - Payment Breakdown

This section provides a breakdown of both your current and new payment which will become effective 05/28/2020.

Payment Breakdown	Current Payment	New Payment Effective 05/28/20
Principal & Interest	\$ 552.19	\$ 552.19
Base Escrow Payment	\$ 333.87	\$ 359.23
Shortage Payment	\$ 0.00	\$ 40.43
Surplus Adjustment	\$ 0.00	\$ 0.00
TOTAL	\$ 886.06	\$ 951.85

If you utilize a bill paying service, please notify them of the payment changes scheduled to occur.

Section 2 - Shortage Calculation & Anticipated Escrow Activity

This section displays information regarding your shortage and anticipated escrow activity for the next 12 months.

Your shortage was calculated by taking the difference between your anticipated escrow balance and your required balance at the projected lowest point of your anticipated balance over the next 12 months. These balances are identified in the chart below in red next to the following symbol (>).

Your shortage has already been spread over 12 months, however you have the option of paying your shortage in full using the coupon attached below or by calling 1-800-401-6587 to have it spread over additional months.

ANTICIPATED ESCROW BALANCE \$233.25 – MINIMUM REQUIRED BALANCE \$718.46 = SHORTAGE AMOUNT \$485.21
SHORTAGE AMOUNT/12 = \$40.43 per month

To ensure your account maintains enough money for future tax and insurance payments, a cushion is maintained on your loan when applicable, to help avoid a negative balance in your escrow account. This cushion may include up to two months' worth of your base escrow payment to cover increases in your tax or insurance payments. Your escrow balance should not fall below \$718.46, which is your cushion amount and required balance. (Mortgage insurance is not included in your cushion calculation.)

Your escrow disclosure indicates a shortage of \$485.21. For your convenience, we have spread this amount over 12 months and included it in your new monthly payment, effective May 28, 2020. However, you may choose to pay it in full and reduce your new monthly payment to \$911.42. If you choose to pay this shortage in full now, please detach this coupon, and mail it along with your check in the enclosed shortage envelope. After your one time full escrow shortage payment is received your new payment will be adjusted accordingly.

Section 3 - Escrow Account History

This section itemizes your actual escrow account history since your last escrow analysis or initial disclosure. By comparing previous projections with actual payments and disbursements, you can determine where a difference may have occurred. An asterisk (*) indicates a difference in either the amount or date.

When applicable, the letter 'E' beside an amount indicates that a payment or disbursement has not yet occurred, but is estimated to occur as shown.
